MASTERS OF CEREMONIES

CHANNEL 3 NEWS ANCHOR KRIS PICKEL

Kris Pickel is an award-winning journalist with more than 2 decades of experience. Kris joined WKYC in March 2012 and is co-anchor of the 6 & 11 PM newscasts with Russ Mitchell. Journalism has been a passion for Kris since the early 1990's. Her goal: better your community and give a voice to people whose stories may otherwise go unheard.

Kris's reputation is built on her experience and versatility, receiving recognition for her coverage of hard news reports and lighter stories. She was awarded the prestigious Edward R Murrow, honoring outstanding achievements in journalism, 3 Emmys, an Associated Press and other awards.

Kris was the first female reporter on the West Coast to enter a boot camp program for jail inmates. Instead of the typical coverage she entered the program as an inmate. Following riots and injuries that accompanied University of Arizona's NCAA win, her investigation helped lead to procedural changes for police crowd control. She has been recognized for her work in riot coverage in Oakland, an investigation into efforts to identify the Zodiac Killer, consumer, feature and medical reporting, and human-interest stories.

Kris is passionate about giving back to the community. After visiting shanty towns in Mexico where children were dying from exposure, she helped organize a blanket drive and delivered supplies to the families in need. She has Co-Chaired the American Heart Association's Go Red For Women campaign, hosted an Easter Seals Telethon, worked with kids in classrooms for Love of Reading Week, served as an honorary chair for Court Appointed Special Advocates for children and countless other projects.

"It's important to not just talk about what's happening in a community but to be a part of it. I believe the best anchors spend time out in the community and not just behind the desk," says Pickel. Kris started her career in news as a college intern and has done just about every job in a newsroom including editor, producer, assignment desk, reporter, and anchor. Her career has taken her from hometown of Sacramento, CA to Grand Junction, CO to Reno, NV to Tucson, AZ and back to Sacramento before coming to Cleveland.

Kris is married to international award winning photographer Carl Lemon who is an avid comic book collector. They are the proud parents of two boys, Clark and Bruce. If you can figure out where the names came from, you know she has a sense of humor. Hint: again, her husband is an avid comic book collector.

MASTERS OF CEREMONIES

MR. TONY RIZZO

Tony Rizzo is proud to be born and raised in Cleveland Ohio. He attended Midpark High School and Ohio University, and is currently co-host of "The Really Big Show," which airs weekday mornings from 9am-1pm on ESPN Cleveland WKNR 850. He also hosts "The Rizzo Show" seen Sunday nights at 11pm on Fox 8 Cleveland.

He mentored under his father, the late Hall of Fame broadcasting great, Jack Reynolds; and also credits radio Hall of Famer, John Lanigan for helping to get his start in the profession.

In addition to a busy schedule on radio & TV and personal appearance, he somehow finds the time to work with numerous charitable organizations. In addition to the Cleveland Police Foundation and the Greater Cleveland Peace Officers Memorial Society, he supports Our Lady Of The Wayside, Littlest Heroes, the American Legion, and the USO, just to name a few.

A devoted family man, Tony enjoys golfing, skiing, cooking, supporting everything Cleveland...and driving the speed limit! He lives with his wife Catherine in Medina and they have 5 children.

Tony ends his broadcasts each day asking all to say a prayer for our law enforcement officers, firefighters, our military and our President.. and to keep them from harm's way. When asked to MC our event, he responded, "I am humbled to be asked. It's an honor to be a part of it"

OUR MISSION

Established in 2010, the Cleveland Police Foundation is an alliance of business and civic leaders, organizations and individuals committed to the idea that an educated, well-trained and modernly equipped police department leads to a safer community for all. Its mission is to strengthen the bond between the Cleveland Division of Police and the citizens it serves through support for youth and community outreach programs, police charities, investment in advanced education and training, and funding for specialized equipment and technology in order to help our police officers better perform their duties.

In addition, the CPF proudly supports these charities in accomplishing their mission: Cleveland Police Athletic League, Cleveland Police Historical Society & Museum, Greater Cleveland Peace Officers Memorial Society, Cleveland Police Pipes and Drums, Cleveland Police Honor Guard, Friends of the Cleveland Mounted Police and Cleveland Cops for Kids.

PROUDLY SUPPORTS ALL LAW ENFORCEMENT OFFICERS

PROUD TO SUPPORT A FAMILY OF CHARITIES

In addition to providing funding for youth and community outreach programs, investing in advanced education and training, upgrading equipment and modernization of technology to help our police officers better perform their duties, the CPF proudly supports the following charities in accomplishing their mission:

CLEVELAND POLICE ATHLETIC LEAGUE

www.clevelandpal.org

The Cleveland Police Athletic League provides opportunities for children in the community to participate in positive, wholesome sports, recreational, and extracurricular activities. The programs sponsored by "PAL" provide thousands of children between the ages of 5 and 21 with an alternative to life on the streets and provides positive role models who encourage them to stay focused on their education, respect for others, and becoming exemplary citizens who are an asset to the community.

CLEVELAND POLICE HISTORICAL SOCIETY & MUSEUM

www.clevelandpolicemuseum.org

The Cleveland Police Museum's mission is to collect and preserve police history, and to use its collection and programs to foster mutual understanding and respect between our police officers and the public. The museum houses extensive and unique exhibits that chronicle the significant contributions made by the members of the Cleveland Division of Police and their predecessors since the founding of the Western Reserve. Located on the first floor of Cleveland Police Headquarters, 1300 Ontario Street, it is open to the public and admission is free.

GREATER CLEVELAND PEACE OFFICERS MEMORIAL SOCIETY

www.policememorialsociety.com

The Greater Cleveland Peace Officers Memorial Society honors all peace officers that die in the line of duty, especially those from Cuyahoga, Geauga, Lake, Lorain, Medina and northern Summit counties. The Society helps to keep the promise to never forget our fallen heroes by providing assistance to the families of officers who make the ultimate sacrifice, maintaining the Greater Cleveland Peace Officers Memorial located in Huntington Park in downtown Cleveland, hosting the annual Police Memorial Commemoration, assisting law enforcement agencies with the planning and implementation of full-honors funerals, and its many other programs that help to raise the public awareness of the hazards our police officers face daily.

THE PIPES & DRUMS OF THE CLEVELAND POLICE

www.cpdpipesanddrums.org

The Pipes and Drums of the Cleveland Police, formed in 1996, serves as the musical component of the Ceremonial Team. Representing the Division and the law enforcement community of Greater Cleveland at ceremonial events, parades, and civic functions, the band has performed throughout northeast Ohio, United States, Canada and Ireland. Sadly, in its short history their members have rendered final honors to 45 law enforcement officers who have died in the line of duty, and 21 military personnel who made the ultimate sacrifice in defense of our country.

CLEVELAND POLICE HONOR GUARD

The Cleveland Police Honor Guard ensures that all appropriate courtesies are rendered at the funerals and memorial services for active and retired police officers, especially those that die in the line of duty. Additionally, they represent the Division at civic functions, parades and sporting events by serving as its color guard, and with its precision marching and drill.

FRIENDS OF THE CLEVELAND MOUNTED POLICE

www.clevelandmountedpolice.com

The Friends of the Cleveland Mounted Police are both individuals and organizations that value the unique contribution the Mounted Unit makes in our community, and provides financial support to ensure its continued service. The bond between officer and horse is special, and these equine ambassadors also serve to strengthen the bond between our police and citizens.

CLEVELAND COPS FOR KIDS

The Cleveland Cops For Kids program's mission is to establish and strengthen positive relationships between police officers and our City's greatest asset, our kids. This program allows our members that encounter children who are victims of crime, abuse and other traumatic situations to respond not only with compassion and concern for their welfare, but also the means necessary to provide timely aid and assistance, such as food, clothing, gifts, and other support.

OUR HONOREES

"We make a living by what we get. We make a life by what we give." These words by Sir Winston Churchill are apropos for who we recognize tonight. It is our pleasure to recognize six amazing individuals and organizations who have made significant contributions to improving the quality of life in our community. Through their deeds, philanthropy and support of our police officers, they certainly have gone above and beyond the call of duty. Their collective efforts have made our world a better place to live.

OUTSTANDING COMMUNITY SERVICE BY AN ORGANIZATION AWARDS:

ArcelorMittal

ARCELORMITTAL CLEVELAND

Our City is extremely fortunate to have many businesses and organizations that are committed to being part of the community, playing an integral role in improving the quality of life in our neighborhoods.

Since its beginning, Cleveland's steel industry has been inextricably linked to community. As employees and their families, many immigrating to the area for work, settled in clusters near the mills over the decades, new neighborhoods were born.

A century later, ArcelorMittal Cleveland remains closely tied with these neighborhoods and the surrounding city and region. Last year, ArcelorMittal provided nearly \$750,000 to local programs focused on health and safety, education and the environment, working with community partners to provide safe after-school opportunities for youth, improve science and math education, protect and restore waterways, greenspace and natural habitats, and more. The Cleveland facility's 1,800+ employees multiply this impact by generously donating their time and dollars.

For the past seven years, ArcelorMittal has supported the City of Cleveland's gun buy-back program, and more than 1,300 weapons have been collected. The program is a natural extension of the company's internal commitment to health and safety. An example of true partnership, ArcelorMittal also melts and recycles the collected guns at its steelmaking shop, transforming something that could be used for violence into new steel that will eventually become a car, washing machine or other consumer good.

Tonight, the Cleveland Police Foundation is proud to recognize ArcelorMittal Cleveland for its efforts and commitment to making our community safer.

CLEVELAND POLICE PATROLMEN'S ASSOCIATION

The Cleveland Police Patrolmen's Association was formed in 1969, born out of the most tragic day in the history of the Cleveland Division of Police. On July 23, 1968, militants ambushed and murdered three police officers and severely wounded many others. A fourth officer died years later as result of the wounds inflicted that day. While there was no shortage of valor among the officers during the unprovoked attack and ensuing violence, there was an obvious shortage of necessary equipment, which might have saved lives and prevented injuries. Six months later the CPPA was formed.

The CPPA's mission includes serving as the bargaining unit for 1283 Patrol Officers, Detectives and Dispatchers, provide aid, protection, and for the general welfare of its members, their families, and the community.

In addition to its pledge to protect the rights of their members, the CPPA goes above and beyond the call of duty in giving back to the community. Their membership supports and conducts year-round efforts to come to the aid of less fortunate kids and families with such programs as: Shop with a Cop, "Calling all Kids" Easter basket give-away; supporting families of officers killed in the line of duty, Cleveland Police Children's Holiday Party, Heroes Run, ArcelorMittal - City of Cleveland Gun Buyback, Cops For Kids, and many more other less structured but impactful acts of kindness.

The CPPA's community outreach is extensive and often overshadowed by its other higher profile endeavors. Their community service efforts shed favorable light on all members of the Cleveland Division of Police and foster a positive image of law enforcement. Tonight, we are proud to recognize their community service.

ESPN CLEVELAND WKNR 850 & KNR2 1540

Good Karma Broadcasting, LLC is a sports marketing company with expertise in sports radio and event marketing. GKB operates nine ESPN affiliated stations, including eight in Top 100 markets, in addition to three other radio stations throughout the country. The company is passionate about offering unique solutions to its partners within the sports marketing arena, and has grown into a marketing enterprise with solutions ranging from digital, wireless, mobile, event, television partnerships, sponsorships and personality endorsements. GKB owns and operates two all-sports stations in Cleveland, ESPN 850 WKNR and ESPN 1540 KNR2 as well as ESPNCleveland.com to serve the fans of Cleveland sports.

GKB supports numerous community and charitable organizations throughout its markets; though its signature events are annual radiothons, including the ESPN Cleveland and Cleveland Clinic Children's Radiothon, which raised over \$85,000 in its first year, as well as the GKB Radiothon in Beaver Dam, Wisconsin benefiting children's charities, which in its 16th year (2013) raised over \$116,000.

In addition to supporting numerous community and charitable organizations, members of the ESPN Cleveland team are encouraged to join community and charity organizations, and currently sit on boards or support the following: The Cleveland Sports Commission, Boys and Girls Club of Cleveland, Presidents Council Foundation, American Jewish Committee, A Kid Again, St. Ignatius Alumni Board, Cleveland Police Foundation (and its umbrella charities), Little Sisters of the Poor and Big Brothers Big Sisters. Tonight, we are proud to recognize their dedication to community service.

OUR HONOREES

COMMANDER KEITH SULZER

OUTSTANDING COMMUNITY SERVICE AWARD

Commander Sulzer is a graduate of St. Edward's High School and received a Bachelor's Degree in Business Economics from the College of Wooster. On June 19, 1990, Mr. Sulzer began his career with the City of Cleveland, Department of Public Safety, Division of Police, in the 5th District as a police officer. Throughout his career he has progressively prospered with the Cleveland Police. On July 25, 1997, he was promoted to Sergeant of the 6th District, in June 2000 promoted to Lieutenant of the 1st District, in June 2005 promoted to Captain of the 4th District; and on July 30, 2007, he was appointed to Commander of the 2nd District and has held that position since.

As Commander of the Second District, Commander Sulzer has sponsored, participated in, and helped organize several charity events. As co-chair of the 2nd District Police Community Relations Committee he organizes several fund raising events each year, from pancake breakfasts and spaghetti dinners, to dunking booths and chili cook-offs. These fund raising events support the 2nd District's annual Children's Christmas Party, an event that identifies the neediest 200 children in the District, and provides Christmas presents, lunch, and a party with Cleveland's own Singing Santa. The 2nd District and Santa also visit and provide presents to children from Providence House and The West Side Catholic Center.

Along with IHOP, Commander Sulzer organizes a team to compete against Cleveland Fire in a pancake-eating contest. This contest kicks off IHOP's February pancake month, during which IHOP donates money per plate of pancakes sold to the Children's Care Network (sponsoring hospitals such as Rainbow's Children and Babies Hosp.). This event alone has raised thousands of dollars for the Children's Care Network.

In 2011 Commander Sulzer and the 2nd District sponsored a food drive and challenged the 4th District to see which district could fill a U-Haul truck in 24 hours. This challenge provided over 7,000 pounds of food to St. Augustine's Hunger Center and to the Cleveland Food Bank.

Annually, Commander Sulzer enters teams in the Special Olympics Plane Pull at Cleveland Hopkins Airport, pulling a 130,000 pound plane 12 feet. His teams have raised over \$12,000 for Special Olympics.

Commander Sulzer and the 2nd District officers annually host a baby shower for Providence House, a crisis nursery in Ohio City. This baby shower provides thousands of dollars of much needed supplies for the residents of Providence House.

In 2012, Commander Sulzer hosted Cleveland's Strongest Cop contest in conjunction with Chief McGrath and the Cleveland Police Foundation. This all-around weightlifting contest raised several thousand dollars for the Cleveland Police Foundation and the YMCA Strong Kids Campaign. Plans are in the works to hold more fitness style events to raise funds for the CPF, and to encourage wellness for police officers.

The Cleveland Police Foundation is proud to bestow upon Commander Keith Sulzer the 2013 **Outstanding Community Service Award**, for his dedication, leadership and success in serving our community and for especially reaching out to our citizens who are most in need and bringing the human side of the officer to our neighborhoods.

2013 CLEVELAND POLICE OFFICER OF THE YEAR

PATROL OFFICER JEFFREY STANCZYK

The Cleveland Police Foundation presents to an officer who demonstrates outstanding devotion to duty and consistently performs to the highest degree, far beyond that established by their peers, The Police Officer of the Year Award. Tonight we are proud to recognize and celebrate the distinguished career of one of “Cleveland’s Finest”, Patrol Officer Jeff Stanczyk.

Jeff Stanczyk served as one of The Cleveland Division of Police first D.A.R.E. officers for six years. Appointed August 16, 1980, he was a full time Academy instructor for three years and in the Bureau of Community Policing for fourteen and a half years. While in Community Policing, he was a mini-station officer and is currently teaching OPOTA curriculum at the Cleveland Police Academy, Cuyahoga Community College and Lakeland Community College. For ten years, Jeff was assigned to the Second District

Officer Stanczyk’s many commendations include:

The Valor Award, Distinguished Service Medal, and The Chief’s Commendation. Numerous other awards and letters of recommendation and letters from residents and citizen groups who recognize his professionalism fill his personnel file and laud his sincerity and caring attitude toward the public he serves.

Jeff participated in Public Service programs taped on the City’s TV Channel 20 in connection with safety issues including general safety, women’s safety, child safety and other community concerns. He proudly sang our National Anthem at several Cleveland Indians games a Cleveland Browns game as well as numerous City hosted functions.

Born and raised in Cleveland, he attended Cleveland Public Schools and graduated from John Marshall High School in 1973, after which he graduated from the Ohio State University in 1977 with a Bachelor of Science in Wildlife Biology. Jeff now resides in Avon with his wife Caroline (Boots). They have two sons Adam and Eric. Adam graduated from the University of Akron and is working to become a Physician’s Assistant. Eric is enrolled at Akron University working to become a pharmacist.

Jeff looks forward to his impending retirement in January 2014 with more than 33 years of service. Officer Stanczyk served the citizens of the City of Cleveland by these words: “It’s not the patch on your shoulder, the firearm on your hip or the badge on your chest; it’s what you carry in your heart that makes you a good police officer, father and husband.”

This evening we are proud to recognize Patrol Officer Jeff Stanczyk for his outstanding career, and wish him a long, happy and healthy retirement.

FOUNDERS AWARD

Three gentlemen were instrumental in the creation of the Cleveland Police Foundation. The "Founding Fathers" – Edward A. Lozick, Thomas D. Ganley and Samuel H. Miller – had the foresight, desire and determination to establish a foundation in support of the members of the Cleveland Division of Police and the collective mission of the police charities under its umbrella. With this award named in their honor, we are proud to bestow the 2013 Founders Award to David F. Young in recognition of the founder's vision, spirit and dedication to making our community safer.

DAVID F. YOUNG
FOUNDERS AWARD

David F. Young was born to parents Jane (Fischer) and Edward Young, both of whom are lifetime Clevelanders, and was raised on the East side, along with brother Stan.

He earned a Bachelors of Arts in Economics at Williams College and an M.B.A. in Marketing and Finance from the University of Michigan. It was at UM that he met his wife of thirty years, Judy. Dave and Judy have four children.

After a postgraduate stint in Boston, Dave returned home to Cleveland, where he has been involved in small businesses ever since. He is the President of Budzar Industries, Inc. which designs and manufactures temperature control equipment for a broad spectrum of industries, including chemical, food, metalworking, paper, petroleum, pharmaceutical, power, plastic, rubber, steel, medical, and semi-conductor.

To the good fortune of The Cleveland Police Foundation, Dave served on the Board of Directors for two years, and was very instrumental in getting the organization up and running. His staunch support of the Foundation during the formation years was crucial to the progress and continued success of the efforts of the CPF.

It is with sincere gratitude and great honor that The Cleveland Police Foundation bestows upon David F. Young, the 2013 Founders Award. Thank you Dave, for your wisdom, advice, business acumen and partnership – we are proud to call you "friend".

TONIGHT'S PERFORMERS

THE COMPANY MEN

As America's First Mashup Group, the COMPANY MEN bring together a unique blend of talent, personality and showmanship that harkens back to an earlier era, while pushing the boundaries of today's current sound. This "modern day Rat Pack" has shared the stage with Natalie Cole, Jesse Campbell ("The Voice") and LaToya London ("American Idol"), performed for Quincy Jones and Berry Gordy, and have enjoyed television appearances, radio and magazine interviews, performances at Lincoln Center, and a recurring residency at Hollywood's iconic Key Club.

Daniel Tatar, Shawn Perucca, Stuart Ambrose and Brian Purcell have put aside their 9-to-5 corporate jobs to create a truly unique musical experience: Timeless Music from the Past Six Decades Mashed With Today's Hits. Audiences have enthusiastically responded, as these modern gentlemen piece together cherished fragments of the past and present before translating them into fresh tunes packed with a rich new flavor and smooth choreography. As the COMPANY MEN grace the stage in their immaculate tailored suits and sleek hairstyles, they reestablish the values of a classic American gentleman and pair it with rare charm and magnetic qualities.

Interweaving the hits from multiple genres such as Motown, rock, pop and today's Top 40, their repertoire appeals to all generations. Hear the Four Tops mixed with Michael Jackson, The Temptations layered with Katy Perry and The Police, or Frankie Lydon & The Teenagers mashed with Bruno Mars and Beyoncé. This collection of music includes a multitude of yesterday's and today's most popular artists including The Righteous Brothers, Ben E. King, Michael Bublé, Maroon 5, and more.

Giving Back. Reaching Forward.

As a non-profit organization, our outreach contributions include neighborhood partnerships, educational initiatives and community collaborations. Because for us, it's not just about providing great medical care.

It's about making the future a better place for everyone.
