

Hoof it to Help!

The Cleveland Police Foundation invites you to join us for the 50th annual Cleveland Grand Prix Horse Show!

The 50th Cleveland Grand Prix is not only a historic event in the equestrian world but it is also a family and community event partnered with the Cleveland Police Foundation. It debuted at the Cleveland Metroparks Polo Field in 1965. Since then, as show jumping has grown into an ever more popular sport, hundreds of grand prix events have been held across North America. It was the very first show jumping grand prix in North America and today is known around the world.
