

# MAKE AN INVESTMENT IN COMMUNITY SAFETY

## SUPPORT 2023 ANNUAL FUND

There is a crisis in public safety.  
Cleveland's "thin blue line" is  
threadbare and stressed.

### ALARMING SITUATION

*These times of turmoil with the proliferation of guns, crime, political division, the proclivities of criminal justice, difficult race relations, and public distrust of law enforcement have led to a withering workload and unprecedented stress among police officers.*

*And to make matters worse, low morale is fueling an accelerated pace of retirements and resignations resulting in an acute shortage of officers, numbering in the hundreds, with an alarming depletion of critical experience within the ranks.*

### YOUR HELP IS NEEDED

Independent from the Division of Police, and the city's elected leadership, the **Cleveland Police Foundation** is an alliance of business, community organizations, and civic leaders collaborating to fill gaps in critical police community programming and services.

The Foundation's **Annual Fund** supports grants to underwrite and implement innovative programs that improve police effectiveness and community relations, efforts to address the root causes of crime, and support the well-being of police officers.
